# *of Patience*

# 1975 Dedication to Mr. Goodrich

One minute he's standing in front of you, a normal Science teacher. The next minute he jumps up on a desk and starts acting like a chicken, an amoeba, or maybe a hydra.

Always striving to make class more enjoyable, he never goes a day without laughing, telling a joke or two, or doing one of his famous imitations. This is how he communicates with his students.

He's that special kind of teacher who can make you feel comfortable in his classroom, yet each student gives him the respect he deserves.

For nine years MR. ROBERT GOODRICH has shown BP students, through his understanding and kindness, that he is truly a "Reflection of patience."

ALWAYS JOKING-Mr. Goodrich makes time for fun in his classes.

WHAT'S GOING ON BACK THERE?-Students feel comfortable in Mr. Goodrich's classes, yet when he starts speaking he gets the full attention of every student.

CAUGHT BETWEEN TWO WORLDS-Mr. Goodrich fits well in society or in the microscopic world of organisms.

Goodrich associates well with his students by putting himself in role-playing situations. He feels this helps students understand the complicated subject of

# Dr. Machisic— a new Coyote

Facing the challenge of change, Principal John Machisic has earned the respect of the administration, teachers, and students during his first year at BP.

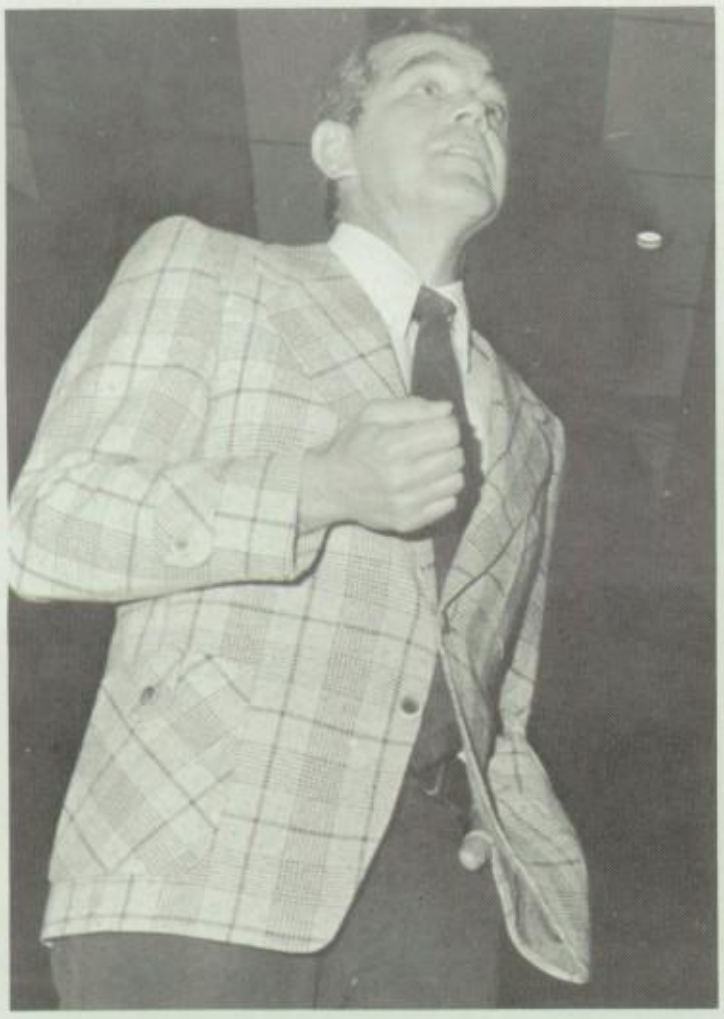
Combining discipline, compassion, and enthusiasm, Dr. Machisic provided the necessary leadership to pull BP through the year's various happenings such as accreditation and open campus. His efforts to keep the campus open reflected his philosophy that "I'll never discipline 90% of the student body just to punish 10% of the students."

With a strong attitude toward helping others, Dr. Machisic worked with fellow administrators and teachers on their various problems.

Frequently he could be found eating lunch and conversing with the students.

A man on the go, yet always stopping to observe, make deductions, or just greet students with a friendly "How are you today?" That has been Dr. Machisic, principal of BPHS.

NEW PRINCIPAL-Dr. John Machisic displays his sense of humor through the challenges of being head administrator.



FIRST INTRODUCTION-The girls were the first to meet Dr. Machisic who welcomed them at the Big and Little Sister party.

WORKS WITH PARENTS- Dr. Machisic's involvement has been an asset to the PTA meetings.

ASSISTANT PRINCIPALS-Mr. Rito Rios and Mrs. Catherine Killeen find time to share a funny story at a staff meeting.

CONFIDENT-Dr. Jack Holm, assistant principal of instructional services, creates a dignified atmosphere within his office.

DISTRICT ADMINISTRATORS-(standing) John Mann, Deputy Supt.; Walter Zielger, Ed. D., Supt.; (seated) John Renley, Asst. Supt., Personnel Services; Harold Throop, Asst. Supt., Business Services.

HI, MAY I HELP YOU?-Mrs. Delores Helm's bright voice can be heard as she performs one of many secretarial duties in the main office.

BOARD OF TRUSTEES-(seated) J. Franklin Sullivan, member; Mrs. N.A. Begovich, president; George Triplett, clerk; (standing) Sheldon Houts, member; Robert Hoffman, member.

PRINCIPAL'S SECRETARY-During a busy day, Mrs. Verna Byrne pauses to give a warm smile to students.

# Fulfillment of dreams

We're half way through the 70's in these times of increasing changes, but one of the biggest changes we have seen was the installation of our new principal, Dr. John Machisic. He came with an open mind and a genuine respect for the students. In his eyes the students held a great deal of importance, as was evident by the fact that he would listen instead of talk.

We have also seen an increasing amount of class unity and pride among students.

The Executive Cabinet worked extremely hard on the accreditation of BPHS and everything else that was attempted. Nineteen-hundred and seventy-five has been a year that I will remember for the rest of my life.

In my Freshman year I had a dream about being ASB president. After four years, that dream came true. Nineteen-hundred and seventy-five has been a year of many dreams come true for many people. But the future holds more dreams, and more dreams that will come true.

Mike Close

ASB PRESIDENT-Mike Close

# Traditions observed

With the opening of the '74-75 school year, there appeared a new awareness on campus, an awareness of school traditions and what they really mean.

When you look at traditions, you have to look into what they stand for. Student Court in the past was in danger of becoming extinct because all they did was take up space in the annual. Now with their renewed authority, when dealing with senior parking and other student offenses, they are an active part of the student body.

The success of a school's traditions depends on the student body itself. They should be observed with respect and not disregarded as meaningless symbols of the past.

The '74-75 school year has left a legacy of involvement with regards to tradition. What you, the student body, do with it is up to you.

# Cabinet aims to unite

The Executive Cabinet of 1974-75 was responsible for holding the school together. From traditions to socials, from money affairs to athletic events, the cabinet has made campus life more enjoyable.

At the start, the cabinet was inexperienced but ready to try new ideas. Through hard work and determination they built themselves into a team ready to conquer the future.

The year started with ELAINE selling activity cards. The cabinet sponsored a contest involving every class.

Trying to relate to the community through the students' view point took a lot of determination and patience. CHRIS had a strong desire to break through the generation gap, and he did.

During the Homecoming activities, DEANA made sure Pep Squad members were on their toes and everything was completed to satisfaction.

Many good assemblies were presented because of the hard work and dedication of DEAN. He was in the middle of school spirit and unity.

PHIL supported all sports by keeping students and teachers informed of game schedules and scores.

Typing minutes of Executive Cabinet meetings has kept ANNA busy throughout the year.

MIKE worked with administrators and teachers on a flexible schedule to fit the school's needs.

# Larry's dreams

Larry Jones, senior class president, swims at least one-and-a half miles everyday to keep in shape for swimming and water polo. He also enjoys water skiing and horseback riding. Larry's main interests are traveling and preparing himself for college. After school he plans on becoming a medical doctor or a biology teacher. He hopes to study at Pepperdine College.

"Accepting criticism maturely; and not being afraid to criticize yourself," are the practices Larry feels people should follow.

# Officers tell aims

Fritz Harmon, senior class vice-president, spends most of his time playing football, shot-putting for track, and riding motorcycles. His main interests are girls and escaping to the desert. "If I'm not bumming around, I plan to attend a Junior college or join the Marines.

"Speak softly and carry a big stick," Fritz says is his philosophy of life.

Debbie Dunnington, senior class secretary, enjoys playing baseball, riding motorcycles, cooking, and crocheting. She likes unusual objects and traveling to places where she hasn't been. She would like to travel through the United States and go to Hawaii. Debbie hopes to be a checker for Alpha Beta.

"Making the most of each day and enjoying life the way you want it," are Debbie's feelings toward life.

# Officers' Ideas

Alan Andreini, senior class treasurer, runs at least five miles everyday to keep in shape for cross country and track. After school he enjoys working on his car and visiting with the many friends he's met at BP. He plans on attending Cal State Fullerton next year and is looking towards a career in accounting or coaching.

"Everyone should try to live together harmoniously," Alan explained.

Wendy Vandenoever, senior class IOC representative, plans a trip to Europe for the summer and then hopes to attend Cypress College. She loves the ocean and enjoys swimming and water skiing. Wendy likes the solitude of camping and all natural and unique things.

Her attitude towards life is "Live it, enjoy it; it's there to live."

# Final Farewell

With the summer behind us, we once again returned to the familiar halls of Buena Park to begin our fourth and final year of high school.

We had achieved academic excellence: this was demonstrated by the outstanding number of seniors on the principal's high-honor roll, the numerous scholarship recipients, and the number of merit winners.

We had achieved athletic excellence: this was displayed by the volleyball's second league championship, the cross-country's fine win-lose record, and the fine performance turned in by water polo.

Along with these achievements, we also gained recognition in competition regarding music, art, drama, student government, and the revival of many traditions that attempted to preserve school unity, and the publication of the senior underground newspaper.

The faculty at our school was charged with the educational phase of our high school years. With the help of them, we gained new insight and inspiration and new facts and concepts. We have learned to differentiate between fact and propoganda. A senior's only limitation has been himself. He has had to make the decision to take or refuse the advantages that Buena Park has offered.

Now as the year comes to an end, I would like to say that I am very proud of the seniors of 1975 and of the impact they have had at our school in the last four years. I will always remember the years we shared at Buena Park with an appreciative memory.

The future is ours,

# Class of '76 wins by unity

There is no doubt in my mind that the class of 1976 has made things happen. Because of our interest in the school, we have obviously become the most united class on campus.

One of our achievements was the winning of the most coveted award of the year, "Spirit Week." We were in charge of sponsoring the Junior-Senior Prom. We took this project seriously and created one of the most beautiful and elegant occasions of our school's history. The theme, "Colour My World", enhanced the evening as couples experienced a night they would surely remember.

With all that our cabinet has accomplished, it could not have been done without the help of many concerned juniors. For those of you who have helped me, I thank you, and I hope that you will always achieve what you strive for.

My deepest thanks,

Jeanie Stone, President

# Sophomores

When we became sophomores, we began to realize our part in the school. This year opened our eyes and motivated us to be curious, to learn about the school, and to get involved.

We started in the summer to earn money. By the start of school we had made more than $200. During the year we sponsored successful activities.

These accomplishments would not have been possible without the help of my cabinet, the advisers, and a core of dedicated sophomores.

As a freshman, I was disappointed in our class spirit. Now more students are gaining pride and working with our class instead of against it.

You should be satisfied with this year, but never satisfied enough not to try and make next year even better.

# Frosh pride reveals future

We, the freshmen class of '78, came into this school, not knowing what to expect, full of curiosity, but ready and willing to prepare ourselves for what's in store for the future.

Our hopes were high, our enthusiasm great, and our pride bursting. These proved to be important factors in accomplishing our goals.

Leading our class with great pride through this year were Kitty Imlay, president; Trini Valadez, vice-president; Becky Marquez, secretary; Alice Valenzuela, Treasurer; and Gina Schryn, IOC representative. We worked hard along with many dedicated freshmen.

I feel that we have accomplished many of our goals quite successfully. Now, as we finish our first year at BP, we look toward the future to the year of 1978.

Kitty Imlay-President.

# English classes help students

The adopted English requirements for graduation require Reading Development for students with a reading level below 6.9. As a result, enrollment in Reading classes increased this year.

"Developmental and Advanced Composition courses have really gotten off the ground," explained Miss Hunter, Department Head. "These courses were requested by students to increase their ability in written expression."

A new class, Sports Through Literature, dealt with short stories and poems about various experiences in athletics. The origin and significance of sports and the problems of sports writers were also included.

The students studying Background of Literature, Shakespeare, and British Authors took a field trip to see the night performance of "Macbeth" at the Ahmanson Theater.

# Paw Prints covers news

Under the supervision of Mrs. Leslee Austin (Bond), the Paw Prints Staff could always be found striving to get out the news to the student body.

Editor-in-chief for first semester was John Palminteri, while Fred Shum was in charge the second half. Page editors, reporters, photographers, and cartoonist worked long hours to help publish Paw Prints.

On weeks alternating with the paper, students listened to news on Paw Prints on the Air. Gregg Morissette was chairman.

Throughout the year, the students worked to do their best, in the hope of becoming an "All American Newspaper for '74-75."

# ¿Parlez-vous Deutsch, bobo?

Can you speak another language? This year about 420 students were able to speak some German, French, or Spanish after taking classes in the Language Department.

Students not only learned to speak the language but also explored the different cultures by viewing films and sharing in cultural experiences.

Interested language students attended the annual "Lingo Thing" where they participated in different activities such as plays, food-tasting, and games with language students from other schools.

# Ways to knowledge

Dig into the past and explore the remains of ancient cultures. Students learn to use tools and to identify types of findings through simple digs and field trips in Archaeology.

A new class replacing Civics is American Political Behavior. It enables students to think as Political Scientists. Simulations prepare them to predict how government will react in a given situation.

Students may receive college credit by taking Economics. Discussions, lectures, and simulation games encourage students to investigate and analyze the American business system.

How can you tell if someone likes you or if they dislike you? The body language unit in Social Psychology will help to answer this question. This course covers such topics as insanity, ego states, Sigmund Freud, and memory.

# Math-Science try new ideas

The Math Department semestrized their classes this year, explained Mr. Saul Schachter, Department Head.

"We are getting away from new math and emphasizing how to get the right answers," he said. "We are concerned with turning kids on to math. We hope to help them develop a better attitude toward numbers."

The Science Department planned an oceanography field trip on the Fury II in the spring. A certain number of students were selected from each biology class to attend.

The classes offered covered many areas of the science world; biology, chemistry, and physics.

# BP Bands in high key

BP offered a large selection of instrumental classes, which included VARSITY BAND, STAGE ENSEMBLE, JAZZ BAND and SYMPHONIC WINDS. These bands exhibited the student's talents by performing during the year.

The 159 members of the COYOTE MARCHING BAND, the BAND SUPPORT UNIT and the newly-formed DRILL TEAM were constantly kept busy attending various parades and band reviews where they achieved outstanding awards. They participated as the host band in the Silverado Day Parade which was televised for the first time. Starting at 7:15 every morning, these people practiced to improve their many abilities.

# Creativity in fine arts

Creative Coyotes expressed their feelings through their talents and skills.

The drama department put on many successful plays such as "The Lottery" and "Blithe Spirit". Future stars performed on the stage, acted in the Mock Disaster demonstration, and participated in the District Drama Festival that was held in the PAC.

Artistic students exhibited their various works of art at the annual art show held in the spring. Paintings, drawings, sculptures, ceramic pieces, 3-D design projects, and assorted crafts were displayed for students and parents to see.

# BP sounds of music

Working hard during the year, MADRIGALS, MIXED CHORUS, AND CONCERT CHOIR did their best while performing. Much time was spent practicing for musical programs and tours to other schools.

Music and dance skills were presented by the DANCE GROUP and STRING ENSEMBLE. The DANCE GROUP combined dance movements and song to enhance their programs.

# Jobs open in business

Business or college-bound students are sure to be found in BP's Business Department.

Typing I students develop into skilled typists. Many become helpful office managers for teachers on campus.

Office Practice students find out how business offices function.

Shorthand cuts writing time in half, enabling students to take accurate notes. This is very helpful to those going to college.

The Department offers classes for everyone from businessmen to housewives. These include Accounting, Consumer Law, Business Law, and Business Education.

# Industrial Arts teach skills

Applied Crafts students learned specific skills, the history of materials, general information about tools and machines, and basic design and layout. The students worked with wood, textiles, leather, metal, and plastics. They made projects ranging from jewelry to sandals.

In Electronics, students built many interesting projects and performed experiments to broaden their knowledge of electronics. Anyone who took this course was able to operate various test instruments and build amplifiers, strobe lights, and transistorized projects.

Students, working in Wood, learned about carpentry and related machines. They took an active part in planning their projects, ordering materials, figuring costs, and detailing a layout of their work.

The Graphic Arts course let students use their own art work and ideas in mass production of decals and in T-shirt printing and transfers. They also did two-color letters, block, and basic photography.

Drafting classes showed the methods and techniques in transfer ideas used by industry. Industrial drawings, blueprinting, and selecting plans for a home were studied by future architects.

Students who took the course in industrial plastics learned about the properties of plastic materials and the fundamentals of mold making, material testing, mass production, and fiberglass work.

Auto helped students in developing knowledge of maintenance and mechanically-safe operation of automibiles. They learned to do tune-ups, tire service, body work, and overhauls.

The Agriculture Department, housed in two main buildings north of the main campus, helped students get experience farming and horticulture. Student participation was increased by projects of raising animals, growing plants, planning landscapes, and learning forest conservation.

A new class introduced by the department, Veterinary Medicine, gave students who were interested in the care of animals a chance to learn about it.

Can you survive in the wilderness? New Horizons, Wilderness Backpacking was a course that was designed to teach students how to backpack and to live in the wilderness. Students took field trips that were related to their class work.

Concerned about the environment, the Ecology class learned to prevent destruction of earth, air, and water.

One of the most important decisions faced by a student is his choice of a career. The Vocational Horizons class, taught in the career center, exposed students to career information and requirements.

Experts on various careers were invited to speak.

# Jobs found for students

Regional Occupation Program (ROP), started three years ago, at BP has grown into a successful program that has helped many students.

An average of 300 boys and girls enrolled in the ROP program this year. Class times were flexible, with a minimum of two hours for each.

Students gained experience, earned school credits and grades, but did not receive pay. Major objectives were to learn ways in getting jobs and to establish job reference for future employment.

Do you need job experience? If so, Work Experience offers you a chance for non-paid school credit.

Jobs are provided on campus as well as off campus. Students with part-time paying jobs may also receive school credit.

# Books tell all

There are many things that students don't know about their library. This 20-year-old library, managed by Dr. Peter Martin, holds within its walls over 37,160 books. About 450 magazines are subscribed to yearly. Some of these are on microfilm which can be used by students with the help of nine micro-fiche readers.

Mrs. DeMato, known as "Mom" to students who use the library regularly, is retiring this year after 17 years at BP. She has worked in Girls' PE, counseling, and as a nurse before she became a full-time librarian. "I like working with students. It's very interesting," Mrs. DeMato explained.

Mrs. Betty Whitelock, bookstore attendant in room 67 for the past 12 years, has been given a new location. Moving was not a simple job. After the massive bookshelves were transferred to their new location, the tough job of filling them with nearly 25,000 textbooks began. The new bookstore has a lot more room to serve more students at a time and also allows for more help.

Students and teachers will now be able to expand their use of audio-visual equipment with the addition of the new Media Center.

Mr. Edward Walsh is in charge of the Media Center. His future goal is to help students and teachers make their own media, such as slides, tapes, and overheads.

The purpose of the Career Center is to assist interested students in developing an awareness of the various careers available to them.

# IOC unites

The Inter-Organization Council-a big title for a big reason. IOC helped all official campus clubs by providing protection of club rights and offering ways to help them raise money. Each club was to provide the IOC president with a constitution or statement of purpose which was kept on file. At IOC meetings the club president or representative could sign up for dances and bake sales. These were major sources of funds for clubs.

IOC also played an important role in getting new members for clubs. IOC sponsors Club Week, giving a chance for prospective members to see what each club has to offer. Green and White Day and other IOC sponsored activities added much to campus happenings.

The COYOTE CHRISTIAN FELLOWSHIP had its beginning on our campus in 1968. The CCF is a club devoted to letting others know about the good word of the Bible. Many activities sponsored by the club included films and speakers on various topics. The members raised money through bake sales. These funds were used for obtaining new films.

The FOREIGN EXCHANGE CLUB sponsored a BP student on an international exchange program. Last summer senior Eileen Borely was sent to Germany. During the school year she gave several talks to interested students about her experience.

The club's goal for the year was to send two exchange students abroad. The club, begun in 1968, used its annual bond sale to raise the money necessary to sponsor the exchange student. It also held two international days, bringing the meaning of Youth for Understanding a little closer to home!

A well known club on campus, the FUTURE FARMERS OF AMERICA, sponsored many annual activities including the FFA breakfast, FFA barbecue and banquet, and the canned food drive.

Members of the club were always present at the local fairs to show their animals, and many were rewarded for their hard work by receiving ribbons. The membership of the club has always been one of the largest on campus, which has helped the group to succeed in its many annual fund-raising projects! This active club has been on our campus since 1958.

Girls Athletic Association (GAA) sponsored such annual events as the Sadie Hawkins dance, playnights, and a sports banquet at the end of the year. At Christmas time the group went caroling at convalescent homes and decorated the girls' locker room. During club week they put on the annual GAA versus Lettermen's Club Sports Competition. GAA became an active group in 1958.

The Lettermen's Club, better known in the past as the Varsity Club, sold oranges and washed cars to raise money. This helped buy a $3,700 weight machine. The members also sold concessions at home basketball games. Unique because of its very large membership, the club learned the views of its many members through a representative from each sport. The Lettermen's Club was first seen on campus in 1959.

Pep Club, which started in 1960, promoted pep and spirit on campus for athletics. The club sponsored the annual Homecoming dance. Money, raised through bake sales, was used to buy decorations for the dance. During Club Week the Pep Club presented the Beautiful Legs Contest which was enthusiastically attended.

# It takes practice . . .

Practice and concentration are what it took to play in the CHECKERS CLUB. While the club had a reduced membership this year, it sponsored more activities than previously. With the money, raised through bake sales, the club sponsored an awards ceremony at the end of the year. Funds were also used to replace equipment. CHECKERS CLUB, started in 1973, was led by a group of people interested in making their hobby something for everyone.

The BOWLING CLUB, which met every Saturday at Aztec Bowl, was made up of thinking, active people. The club sponsored two Student-Faculty Bowling Tournaments and raised money to share a potluck banquet with faculty members. Funds from bake sales were also used to buy trophies. The large membership was enhanced by having a few alumni members at many games. The club had its begining in 1969.

A new club on campus is the BICYCLE CLUB which had its start in 1974. The group's adviser is Mr. James Robinson. This club was often set back in their plans by administrative law that felt a cycling outing was too dangerous to be school sponsored. Even so, the club set goals for a short overnight trip and bicycled to various parks and beaches. Through bake sales, the small membership was able to set aside money in the treasury for an emergency fund on trips.

# Clubs speak out

DRAMA CLUB sponsors all drama productions including the Fall play, Spring play, the Christmas program, and a talent show. The club, started in 1959, raised money through bake sales, using this to fund the productions. Some members of the club were also Thespians, an association formed for advanced drama students.

FORENSICS CLUB was very active this year. Members attended 13 speech and debate tournaments and 4 Congress events. The BPHS National Forensics League sponsored an Intramural Speech Tournament. Winners were awarded prize money. An awards banquet was held at the end of the year. This club was started in 1959.

FOREIGN LANGUAGE CLUB was created this year from the former language clubs (French, German, and Spanish). The club sponsored a cultural experience and served food from these countries.

# Clubs excite new interests

CHESS CLUB, started in 1961, sponsored many tournaments and often walked away with winning trophies. The members raised money through bake sales and car washes. The funds were put to good use by buying trophies and paying tournament fees. The daily practice by the members helped to raise their ratings in the U.S. Chess Federation.

SCIENCE CLUB has, through the years, been labeled as a club for those only interested in science. This year, however, the club tried to change its image. The club's activities included selling plants, beautifying the memorial grove, and working on plastic plant hangers. The funds earned helped to buy a microscope. The Science Club had its start in 1958.

PHOTOGRAPHY CLUB held its first meeting in 1973. The club's purpose was to show interested students how to handle a camera and take good pictures. The club also sponsored field trips to photography studies. Members used money from bake sales to buy darkroom equipment.

# Goal - Raising money

CSF could well be called "King of the Fund Raisers". One of the few organizations to have summer-money raising projects, CSF earned almost $800 to start out the school year.

In the fall their activities included the Can Food Drive and the Christmas Formal. Members made a field trip to see the UCLA campus and a Bruin football game. The club sponsored a Scholarly Bowl during Club Week in February. It first began its active career in 1958.

Interact Club is the only one to have the support of an outside organization (Buena Park Rotary Club). It was started in 1972 and since then has sponsored many activities for fund raising, including a booth at Silverado Days and bake sales. While some money was used to buy membership buttons, most of the money was used to help trainable retardees. The club helped students look into different careers by bringing in experts to talk about jobs.

The Model United Nations Club raised money to attend a conference. There each student was given a country to represent. All during the year research and plans were made for final preparations for the big day. The club, started in 1973, hoped that each member became more aware of international relations and decisions by attending the Model UN Conference.

Homecoming Week 1974: A week of many activities and memories. Pep Squad sponsored the week's activities, which included a "Dating Game" at noon, and a kidnap breakfast for the football team.

Tuesday's Homecoming assembly introduced the Coyote gridmen individually. The highlight of the assembly came when the Homecoming attendants were announced. Much curiosity was aroused when three senior attendants were named, one of which was to be crowned Queen at the Homecoming football game.

"Welcome Back Alumni" proclaimed a huge banner hanging from the pressbox at the game Friday night. The Coyotes faced the Lowell Patriots in a fierce Homecoming battle.

At half-time, the lovely attendants were escorted in style to their place of honor beneath an autumn-adorned gazebo. A week of anticipation peaked when Dalarie Simpson was crowned Homecoming Queen 1974.

"Dreams, so they say, are for the fools and they let them drift away."

Dreams are fantasies based on realities. A young girl may dream of a ruffled, satin dress, or dancing with a handsome young man under soft, romantic lights.

The dream becomes a reality when a girl is chosen to represent her class as a Homecoming princess. She lives her dreams, being honored, if even for only a few days, as royalty.

On the eve of the Homecoming football game, she prepares herself for the "grand entrance", awaiting with due apprehension the crowd's reaction; hoping for their approval.

Then, when she finally has been escorted to her place among the court, and the crowd's applause confirms their acceptance, she realizes the wonderful dream has come true. She smiles and reflects upon the scene . . . "We may never pass this way again."

# Nostalgia's Influence

Very creative, lovely decorations ornamented and transformed the gym into a romantic setting for the 1974 Homecoming Dance.

"We May Never Pass This Way Again", the theme chosen by Pep Squad, was brought to life by Pep Club's creative members. Balloons, streamers, flowers, and ribbons greeted the couples as they arrived.

A beautiful background for portraits was hand-painted by the mother of a Pep Club member.

Music was provided by the band, "Other Side of Silence".

The Court was honored in a solo dance, led by Queen Dalarie Simpson and her escort Richard Sanderson.

The evening was bright and cheerful, with friends sharing warm memories. Grasping the time that passes so quickly, the couples danced and dreamed.

The Buena Park Drama Department presented "Blithe Spirit" as their first major production of the year. The play revolved around the efforts of a man's ghostly wife to wreck his attempt at a second marriage.

BP students were given a taste of the skill and physical qualities needed for the art of karate through a special assembly.

Sensei Jerry Warren and Sensei Zoe Trefethen presented a program featuring basic karate skills and usage of karate movements for self-defense.

BP students Norman Evenson and Leroy Thompson, also students of karate, assisted in the demonstration. Sensei Trefethen showed how various weapons were used in self-defense and exhibition forms of karate.

Both Senseis, Norman and Leroy, acted out many different situations of attack and self-defense. Sensei Trefethen demonstrated ways to counter a double attack when confronted by Norman and Leroy.

The 1974 PTA Christmas Program took place in the Performing Arts Complex, encompassing the use of a thrust stage and the choral and band rooms. Band, Choral, Drama, and Modern Dance groups participated in the holiday show.

Drama members presented skits about Santa Claus. The band, under the direction of Mr. James Young, played Christmas selections and accompanied dance members in a rendition of "White Christmas". Miss Sally Thompson, Dance adviser, also presented three sets of duet dances. Mrs. Regina Jensen's Choral groups rounded out the Christmas show, which was under the direction of Mr. Charles Fein, Fine Arts Department Head.

"Winter Wishes, Christmas Dreams" was the theme chosen for the 1974 Christmas Formal, sponsored by CSF. Formal Chairman and CSF President Fred Shum directed committees headed by Andrea Raincrow, publicity; Cindy Leigh, hospitality; Stephanie Yuen, decorations; Daryl Beebe, program and tickets; and Joy Fujimoto, theme.

The Formal was held at the Fullerton Elks Lodge. Members of the decorating committee spent one afternoon from 4 o'clock until 1:30 a.m. and the entire afternoon of the Formal from 3 o'clock until it began decorating the lodge. A Christmas tree, garland, Christmas lights, homemade silver ornaments, and candle centerpieces were used to create an effective mood of holiday cheer.

A four-member band, Lobo Woods, entertained couples with dance music and dreamy ballads.

The evening was enhanced with the presence of Yuletide Royalty. Last year's Formal Queen, Cindy Lagmay, returned to crown her successor Senior Stephanie Yuen. Rounding out Stephanie's 1974 Royal Court were Lisa Torbert, senior; Patti Ollar, junior; Carol O'Connor, sophomore; and Lynette Thompson, freshman.

# Surfers win Spirit Week

A week of sky-high spirit ended in joyous triumph for the Junior Class. Their theme was "Surf's Up, '76".

The Seniors were presented with a special award for most class participation. The "Psycho Seniors of '75" had a stupendous car rally and a jam session on the quad.

The Sophomore Class tried to get "High Into Heaven With '77" but failed to go all the way. Along with the Freshmen of '78, they gained much experience for future years.

PSYCHO SENIORS '75-The Senior class really "Psyched It Up" for Pep Week. Highlighting their day was a "psycho jam" on the quad with a live band, and seniors chanting and dancing.

SURF'S UP, SURF'S UP . . . '76!-The enthusiastic Junior class united into an impressive mass for their surf-oriented pep rally. Led by sexy, '76 "surf-chicks," like Ralph Sanchez and Skip Stellrecht, the Juniors projected enough spirit and involvement to capture the Spirit Week Award.

EXPERIENCE GAINED-The extremely enthusiastic Freshmen class of '78 tried their hand at creating spirit and gained useful experience in leadership, organization, and unity.

HIGH INTO HEAVEN WITH '77-Spirited Sophomores united in mass to put forth a strong effort toward the Spirit Award.

SINK IT, SINK IT-Karen Proud really puts her all into a shot while Grace McLean looks on. Girls played for the first time this year.

# Donkey Basketball

The annual Donkey Basketball game between Juniors, Seniors, Faculty, and Alumni was spiced up a little this year. For the first time, girls were allowed to play in the game.

Many girls from GAA and Modern Dance fought hard to win control of the ball . . . and their donkeys.

After four hilarious quarters, the Juniors reigned victorious.

OPEN FOR A PASS-Carol Ewertz awaits a pass from her teammate to make a junior goal.

FRANTIC FACULTY-Coach George Fairchild anxiously awaits the ball to return to earth, crying "Where is it??"

SLIPPERY LITTLE DEVIL-Mona Mossakowski experences difficulty in staying aboard her donkey. Besides the hardships of getting them to go the right way, many experienced chilly spills.

# Rock era is revived

Girls wandered across the Senior Quad in long skirts and saddle shoes, their ponytails bouncing with their steps. Guys stood around in their best chinos and leather jackets, combing back their greasy hair.

This was 50's week. All week long old-time rock was played on the PA at lunch. Guys and girls did the "bunnyhop" across the Quad. It was good times and practical jokes, climaxed Friday night with a 50's style dance.

CAPTAIN JOHN-The king of lunchtime rock'n'roll rocks at dance.

TEENAGERS IN LOVE-Two couples are caught dancing togethe romantically to the soft strains of a 50's love ballad, played by the banc "Taxis".

GREASE GANG-Paul Wilson, Rick White, Rick Obbema, and Bob Obbema try to slick back their locks in hopes of attracting the female eye.

A & W ANTICS-The gang congregates before the dance for a quick dinner at the local A & W drive-in.

MINNIE, HE'S LOOKING AT YOU!-Mignon Mitchell's friends, Pam Edey, Jerri Valadez, and Shirley Boyer, seem to be pointing out an admirer.

BUNNIES AT THE HOP-Led by Sherry Smith, a group of eager young ladies join in a rollicking bunny hop across the gymnasium floor.

# 'Madness' at Sadie's

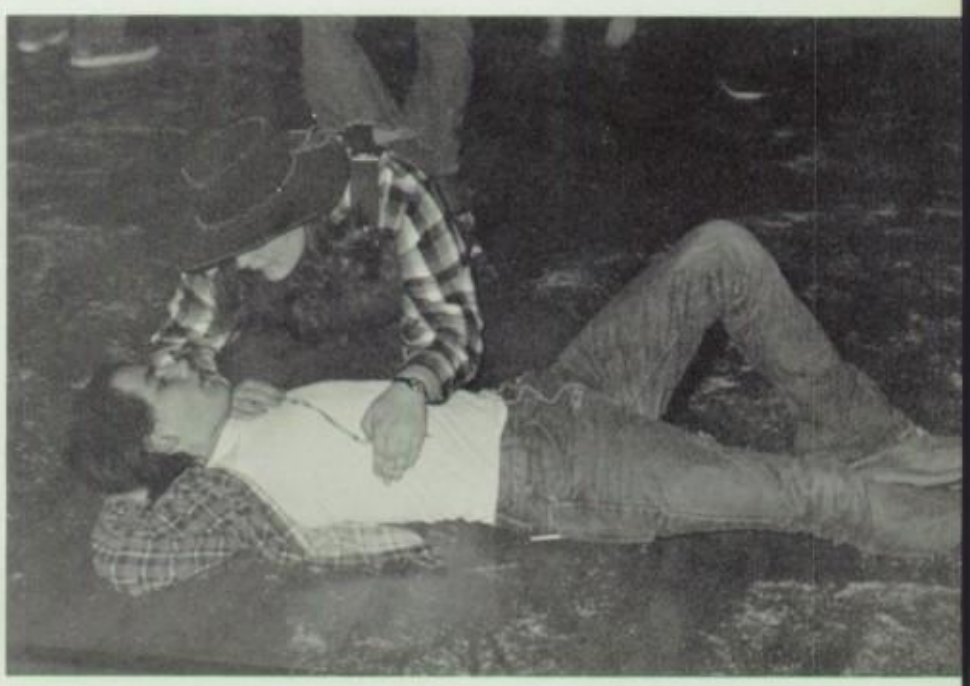
"Moonshine Madness" was the 1975 theme for Sadie Hawkins, sponsored by GAA. Couples danced to the sounds of "Mirage" and participated in apple-bobbing and taffy-pulling contests.

A justice of the peace was on hand to do the hitchin' honors. GAA girls spent time after school to decorate and build a saloon for serving refreshments.

Sheriff and deputies kept a genuine jail in service. This was for detaining young men long enough to get them to the altar.

GETTIN' HITCHED-Lisa Torbert and Brant Nash are wed while Dave Branson and Tina Vargas wait their turn.

HAYSEED GANG-Barb Buska, Mike Noble, Janet Yee, and Bob Mehrmann flash their country smiles for the camera while enjoying the "Moonshine Madness" evening.



LAZY LAD-"Come on, Billy Joe, we're missing the best dances!" a girl pleads with her boyfriend who has sacked out on the gym floor.

WHAT'S UP THERE, ELMER?-Couple plays a mock game of basketball with balloons and a hoop, to the delight of onlookers Melvin Sanders, Ralph Sanchez, and Chris Key.

# Talents are displayed

The first annual United Coyote Crusade Telethon was the format for the Student-Faculty Variety Show.

Co-Hosts Mike Close (as Bart Perks) and Mr. John Miller (as John Aspen) introduced the acts. Featured were singers, dancers, musicians, and many comedy acts.

Highlights included songstress Mrs. Yvonne Krogh, the rock'n' roll of Mag Wheel and the Lugnuts, exotic dancing by Elena Reyes and Cindy Martinez, and the outrageous comedy of the Skid Row Flashers.

Also various members of "charity organizations" such as the Dandruff Crusade, Itchy Palms Society, and Halitosis Prevention Clinic, spoke about their causes.

FOLLOW ME-Helen Chavez beckons the audience with her song. She also did a rendition of "Second Hand Rose".

SKID ROW FLASHERS-Ralph Sanchez, Steve Clark, Larry Jones, and Greg Picogna captivated the audience with their "No, No" song.

TUNE IN-Lori Parker sings out "I've Seen the Saucers".

ROCK 'N' ROLL-Swinging 50's music was performed by "Mag Wheel and the Lugnuts", featuring a romantic solo by Steve Molina. The remaining Lugnuts were Mike Ruiter, Greg Picogna, Larry Jones, and Steve Clark as Mag Wheel.

OH, HUMMINGBIRD-Co-Host John "Aspen" Miller and his friend sang in fine harmony on "Hummingbird" and "The Best of My Love".

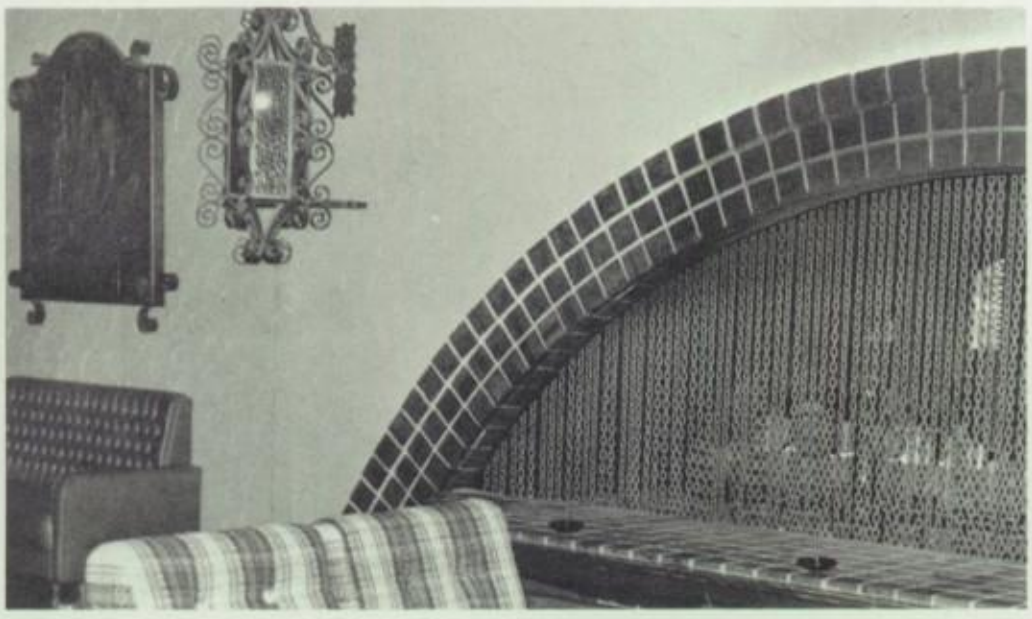
## Colour My World



The 1975 Junior-Senior Prom was held at the recently built Golden Sails Inn in Long Beach. Encompassing three entire banquet rooms, the Prom featured the music of Ravana. Junior Class President Jeanie Stone and Vice President Janet Yee spent long hours organizing and arranging for decorations, refreshments, and publicity. The romantic theme of "Colour My World" was used.

# Yell squad leads spirit

Leaders of spirit at BP for the '74-75 school year were the six energetic girls who were selected for this year's Varsity Yell Squad. These girls started the spirit machine rolling at BP and never let it run down throughout the entire year.

It was their job to lead the crowd in cheers for the Coyotes and keep the spirit "sky high!" At football and basketball games and at pep rallies the Varsity Yell Leaders could be seen encouraging students to let their spirit be heard.

Varsity yell squad members Karen Olsen, Carrie Core, Drina Rambo, Stephanie Yuen, Dalarie Simpson, and Head Lisa Torbert will be remembered as loyal and dedicated Coyotes.

Whether attending a water polo or baseball game, decorating for Homecoming Week, or making an announcement about an important sports event, the talented Varsity Yell "spirit-creators" were always there supporting the BP Coyotes all the way.

HEY THERE!-Karen calls out a greeting to a friend before the pep rally.

# Song gets spirit beat

Poise, precision, and charm were some of the strong points of this year's song squad. These six girls delighted many half-time crowds with their "fancy-footed" performances.

Their routines, which looked smooth and effortless, were really brought about by a lot of hard work and early morning practices.

Songleaders Eileen Paskus, Jeanne Milan, Sandy Saenz, Karen Wilson, and Stacey Van Horsen, (under the leadership of Head Teresa Anderson) became a "together" song squad.

# School spirit stays alive

What is spirit? School pride, painting posters, BP Coyotes, Homecoming, cheering the team to victory, Pep Week, class unity, singing the Alma Mater with all your heart, pep rallies ... These things are all important to the meaning of the word spirit.

Apathy was a word that didn't exist for the classes of '78, '77, '76, and '75 as students kept the school awake and alive with new and exciting activities.

The school year was filled with spirit, from the whispered cheers of the Frosh in the opening day assembly to the hectic, funfilled days of Pep Week to the singing of the Alma Mater for the last time by the graduating Seniors of '75.

# Flag stirs whirlwinds

Long and strenuous hours of practice were the key to the success of this year's Varsity Flag Squad. These six fancy-fingered flag twirlers braved many sore muscles and bruised legs to become one of the finest flag squads that BP has seen in a long time.

During the summer flag twirlers Teri Geiger, Pixie DiJerlando, Joan Raincrow, Debi Toma, Teri Hardisty, and Head Karen Tait practiced almost every day to perfect their complicated routines.

In August they attended a "spirit" camp at Malibu where they received several ribbons, awards, and a trophy for their performances.

V FOR VICTORY-Teri expresses her high hopes for another basketball win.

# JV's spirit climbs high

Junior Varisty Yell leaders were always there to support the athletes in minor sports. This is the first year that JV Yell has actually moved around to support all sports not covered by any pep squad.

Since they have done this, the JV Pep Squad has opened the eyes of other students to participate in the support of all sports, major and minor.

These girls are excellent prospects as future cheerleaders. They are constantly on their toes, eager to excite the crowds to enthusiasm and spirit.

"YOU'RE KIDDING"-Nancy exclaims as the other team scores on the JV Basketball team.

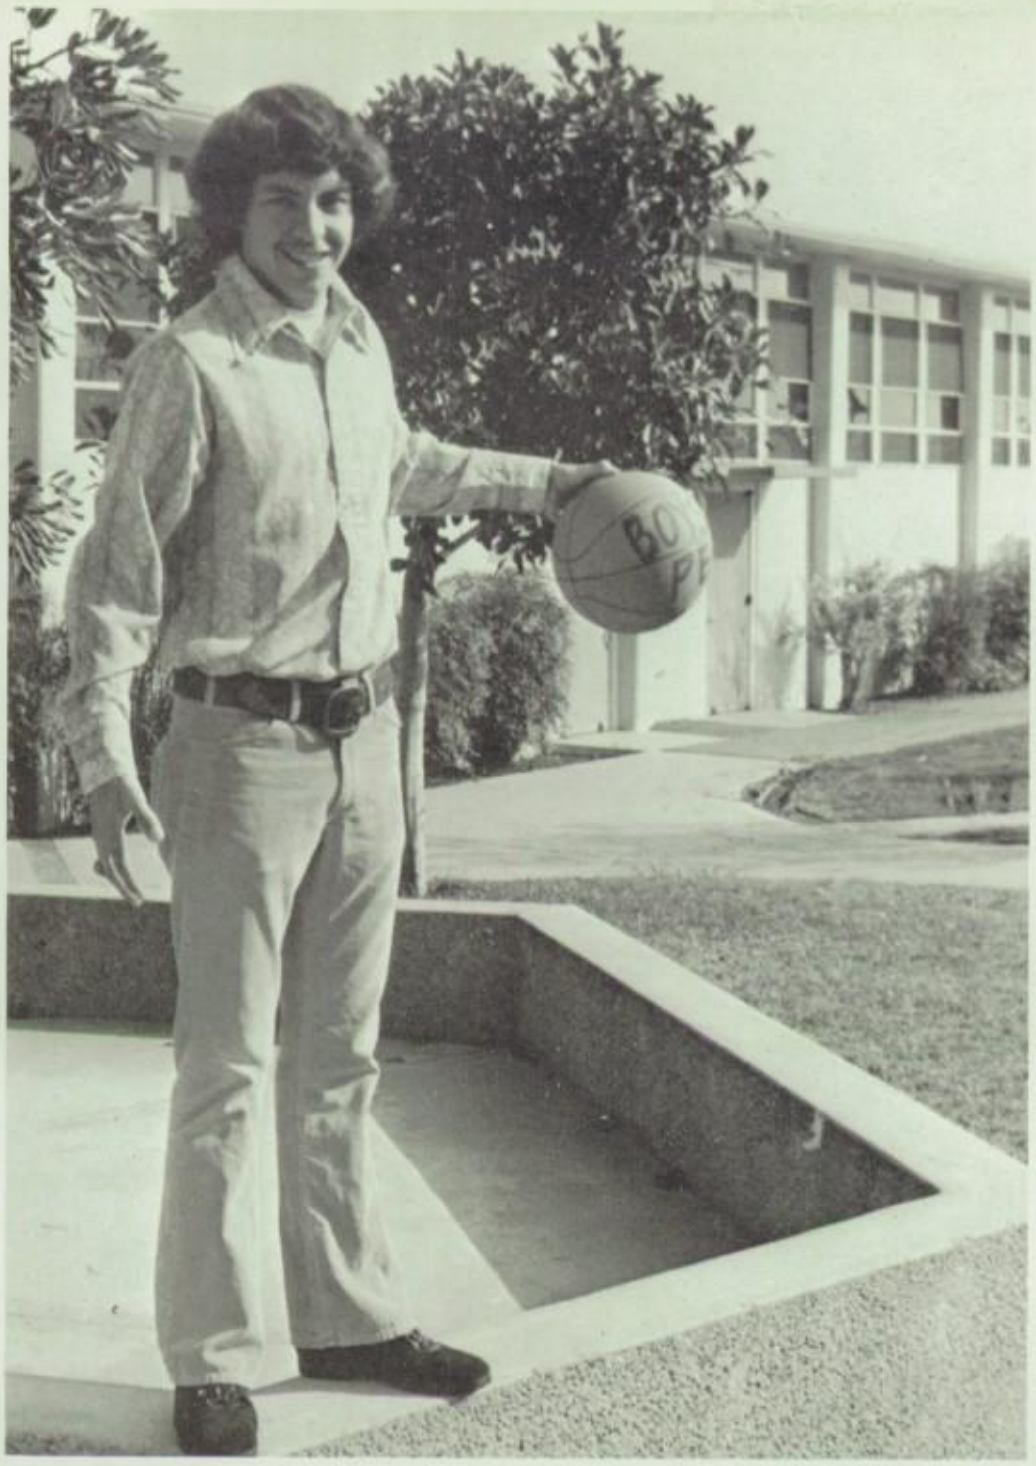
ONE MORE TIME-After an exciting pep rally, Barbie goes through the halls announcing BP spirit.



TAKING IT EASY-Steve Molina takes a break from his job as mascot to practice his basketball skills.

# Mascot stars

BP's symbol of spirit, Wile E. Coyote, came to life for the '74-75 school year with the help of Steve Molina, this year's mascot.

Steve (Wile E.) Molina could be seen at all the games and pep rallies, showing other schools the true Coyote spirit.

Whether marching in a parade, participating in a pep rally skit, or cheering the team to victory, Steve was an important member of the Pep Squad and also a unique one, being the only guy on an all-girl squad.

Steve was a special kind of Coyote, being elected for mascot with the help of a massive write-in campaign staged by the class of '75 only a few days before the Pep Squad elections.

STEPPING OUT-Steve gets ready for another exciting day at BP.

## GAA

# Competes in CIF

Varsity Volleyball, coached by Mrs. Ruth Ann Morris, became the first Buena Park GAA team to participate in CIF play.

The team, consisting of five seniors and one junior, turned in a deserving 10-0 league record. With this record, the Coyotes earned the right to compete in CIF play-offs, representing the no. 1 team in the Orange Freeway League.

The Varsity team defeated their first-round opponents, Aviation, 15-11 and 15-9, before being defeated by Pius X.

The student support that GAA received was outstanding. The gym was decorated with posters and streamers. The Drill Team, Pep Band, Cheerleaders, and dedicated students cheered the team on to what has proven to be the best season Volleyball has ever had.

The JV team was not to be overlooked. The team, consisting of three juniors and seven underclassmen, received their league-championship title with an earned season record of 9-1.

## Modern Dance

# Creates moods

GAA Modern Dance, under the direction of Miss Sally Thompson, is a performance class. The girls selected for the seventh period class worked on various assignments throughout the year, creating their own imaginative dances. A group of girls from the class were able to participate in a dinner show, performing two jazz numbers choreographed by Ralph O'Neil.

Twenty girls from the class were chosen to participate in the Cal State Fullerton University High School Dance Festival on Friday evening February 8, 1975. The girls assembled a collection of dances, skits, transitions, and crossovers to perform a dance entitled "Oom-Glot."

The Cal State performance was included in the BPHS Modern Dance concert in April. The entire class spent half of their Easter vacation coordinating choreography, costumes, lighting, and special effects into a versatile and creative show.

Miss Thompson encouraged the class to strive for an intensely high level of energy in their performances. The Modern Dance Concert gives the girls a chance to display their talents in a semi-professional atmosphere in the Performing Arts Complex.

## Hockey

# Champs use team work

This year's Varsity Hockey Team, coached by Miss Janice Howard and Miss Donna Kramer, had a successful year with an undefeated record of six wins and no losses. Varsity became league champs and went into CIF competition playing Mission Viejo and beating them 5-0. In the second game the Coyotes had to face Sonora after previously beating them in league competition. They then lost to the Raiders in a 1-1 battle which had to be decided by possession time.

The Junior Varsity team ended with a record of three wins and three losses, tying for second place. Outstanding players who showed promising talent for future teams are Michelle Tafoya, Drina Rambo, Carol Ewertz, and Shelly Blanco.

## Tennis

# Girls show potential

Inexperience was the main problem for this year's tennis team. However the girls had great enthusiasm and a positive determination to improve their style and skills to make future teams look impressive at BP.

Outstanding players were doubles-Karen Proud and Peggy Imlay; Alice McCaffrey and Eileen Paskus. Top single was Genine Wallace. These girls were coached by Miss Claudine Casey.

TENNIS TEAM-Row 1: Karen Proud, Diane Rippy, Cris Wolfe, Liz Weathers, Lori Diaz, Kelly Imlay, Robin Cary. ## Track

# Workouts help

The GAA Track team, under the coaching of Mrs. Yvonne Krogh and Miss Claudine Casey, showed much potential but was plagued by injuries. However, there were many outstanding individual performances turned in by Jerri Varian in the sprints, Lisa Torbert in the long jump, and Jeanie Stone in the shot put. The girls had hard workouts in the mornings and the afternoons. This helped them get in shape for track.

Due to the change of season, determined by a new CIF rule, many girls had to make a decision between going out for track or another sport. Yet even this difficulty in the loss of many important players did not lessen their desire to win.

TRACK TEAM-Row 1: K. Snyder, C. Shafer, D. Fisher, G. Smiech, K. Imlay, A. Valenzuela, K. Imlay W. Unruh, R. Blanco, C. Martinez, S. Blanco, E. Paskus, Row 3: Coach Krogh, J. Yee, J. Stone, L. Villaverde, D. O'Dale, Coach Casey.

## Badminton

# Girls use technique

Under the coaching of Miss Claudine Casey, the GAA Badminton team proved to be strong in league. With talent and determination, the girls ended the season with many wins to their record.

Fine performances were turned in by singles players Michelle Tafoya and Carla Bootman. Also outstanding were doubles players Jerri Varian and Eileen Paskus; Karen Proud and Peggy Imlay.

Due to the painting of the gym the girls had neither the right conditions nor as much time for practice during the beginning of the season. Even with all of these conditions the girls were not hindered in their play.

BADMINTON TEAM-Row 1: Karen Proud, Peggy Imlay. Row 2: Michelle Tafoya, Rosemary O'Brian, Sheryl Rosevear, Charolette Tafoya, Joan Raincrow, Row 3: Cheryl Nault, Kim Smiech, Valeri Kissich, Karen Forbes, Carla Bootman.

SUPER SCOOP-Nancy Rippy shows fine defensive play in hopes of throwing out the opposition.

## Softball

# Girls earn victories

The Softball program at BP is full of talent and enthusiasm. The Varsity team, led by Coach Ruth Ann Morris, had a worthwhile season as they led the Coyotes high into league. The Varsity squad had many upperclassmen leading the way. Outstanding performances were contributed to the team by Diane Johnson, Sandy Johnson, and Debbie Sue as underclassmen.

The JV team, coached by Miss Janice Howard, had underclassmen as their main ingredient. Even though inexperience plagued the team, they had many victories to their credit. Outstanding players for the JV's were Cris Wolfe, Janet Esperanza, and Vicki Jarvis.

SOFTBALL TEAM-Row 1: Cris Wolfe, Grace McLean, Jeanie Stone, Debbie Sue, Cristy Rains. Row 2: Vicki Jarvis, Nancy Rippy, Paula Dobrowolski, Darci Gibbs, Julie Storm, Gwen Scott.

# Gridmen face tough foes

The Coyote Varsity Football team started the '74 season with enthusiasm and "Tallant" in hopes of a possible league championship.

The Coyotes showed promise early in the season with a win over Santa Ana 7-0.

But with many unfortunate injuries, the Coyote Gridmen were forced to play many talented but inexperienced underclassmen.

This year's team placed 5th in the Freeway League with a fine 3-5-1 record.

The success of this year's team was based on teamwork and determination.

Fine performances were put in by many players, with special emphasis on All-League Guard Neil Orr and Split-end Larry Allen.

# Soph gridmen improve skills

This year's Sophomore team started the season with great possibilities. They worked with many inexperienced players. The loss of some outstanding members of last year's Freshman League Champions, who were moved up to Varsity, hampered Sophomore hopes this year.

The team played well throughout the season. They were up for all their games as shown in their most outstanding one of the year against La Habra. This team they defeated 28-21, ending the season with an impressive record of four wins and five losses.

Sophomore Football had its share of outstanding players. Some of the year's standouts were Scott Turner, Rich Medellin, Scott Collier, Tom O'Neal, Gary Kaseman, and Bill Porrazo.

# Freshman team shows power

The newly arrived Freshman Football team did an outstanding job. Since this was a new experience, the players found the season very exciting and rewarding.

These young gridman did a fine job after they won confidence in themselves. This was exhibited when they defeated Fullerton 23-0, in what proved to be their most satisfying game of the season. By beating their crosstown rival, this young Coyote team finished the season at two wins and four losses. The team could have done better, but since they were inexperienced they didn't start working as one unit until near the end of the season.

# Striders hold winning form

Under the leadership of Coach Dan Hirsch, the Coyote Cross-Country team finished the Freeway League season with an impressive 5-2 record. This year's team was paced by senior Paul White, 9:45; juniors Toby Mattson, 9:43; Mike Baca, 9:50; Jack Risley, 9:51; and sophomore Art Cendejas, 9:53. Next year's striders will be tough to beat with the loss of only senior Paul White.

Coach Hirsch has shown from past performances that BP has the outstanding Cross-Country program in the Freeway League, with an overall team mark of 23-5. This, along with the team's numerous division titles in many Invitationals, has capped an outstanding season for BP.

# JV runners seize league

The JV squad finished an outstanding season with the team title in the Freeway League Finals. The JV's completed the dual-meet season undefeated at 7-0, with team titles in the BP and Orange County Invitationals.

The JV team was led by; seniors Phil Heybruch, Alan Andreni, and Eddie Aguilar. The juniors were Manuel Arroyo, Rudy Lagmay, Robert Braden, and Art Blais. This was a year to remember!

# Soph runners show strength

Though not many in number, the sophomore team showed they were a tough one to beat. They completed the season with a record of 4-3, and a fourth-place finish in League Finals.

The sophomore team was led by Scott Allison at 10:19. At times during the year he also ran with the Varsity striders. Outstanding efforts were made by Dave Morales (10:36) and Terry Melanson (10:40). Rounding out the rest of the team were Dennis Clark, Mike Summers, Chris Retzer, and Domenick Carpini.

# Frosh depth takes crown

The first-year squad started their years at BP with a League Championship. They finished the season with a 7-0 record and a team championship in the Freeway League Finals.

The Freshmen were the second BP team to capture a league title and go undefeated for the season. This group of dedicated Freshmen were an important addition to the overall Coyote team record. Outstanding efforts came from Richard Wilson, Bill Peddler, Alan Link, Ernie Carasco, and Augustine Baca.

# Polo in league

This year's Varsity Water Polo team ended with an even 4-4 league record, finishing fourth in one of the toughest polo leagues. Polo, which is a total game of concentration, requires a lot of excellent one-handed maneuvering. Also strength, stamina, and tiring hours of practice in the pool and weight room help to develop a team that can compete in a tough league of experienced poloists. Most Valuable Player went to Junior Norman Evenson and the Most Inspirational Player to senior goalie Dirk Flores. Because of the dedication of Junior Susan Reeves, the scores and management were kept to perfection.

# Frosh-Soph high in league

Placing second place in league this year, the Frosh-Soph Water Polo team ended with the most impressive, overall record in BP history with a total of 33 wins and only 1 loss to Sunny Hills. They captured first-place in both tournaments that they entered. They had their best game against Los Altos, a team that had earlier defeated Sunny Hills. Most valuable player for the Frosh-Soph team was Lance Fryer. Had it not been for their season-opening loss to Sunny Hills, the team would have easily taken first-place in the Freeway League.

# Varsity falters

The Varsity Basketball team had about the most unfortunate season of any team at BP. The 2-12 league record was a shock to many, with league victories over only Savanna and Lowell. The team was inexperienced in that it had just two returning lettermen.

Many endless hard hours of practice were put in by the team. Under the inspiration of Coach Ken Bell and Assistant Coach Tom Gregory, the boys made it tough for all competition. A typical game would see the Coyotes bring it right down to the three minutes and then hit a cold spell where the ball just wouldn't go through the hoop. End result would be a defeat.

The bright spot for the team was one of the five juniors, Tony Chastain, who was named most valuable player. Chastain averaged over 20 points per game and was only one vote from being on the Freeway League first team.

Although the record wasn't very impressive, there was a lot of dedication shown on the squad. Some outstanding Varsity players were Larry Allen, Andy Rosenkilde, Thom Rupp, and Paul White.

# JV's show dominance

At the start of the year, few people expected the Junior Varsity Basketball team to come up with many victories during the season. Five juniors had been moved up to the Varsity team, and in most high schools this would have weakened the team. But the JV's proved themselves to be one of the most balanced squads ever at BP as they regrouped to go on and finish second place in league.

Under the outstanding coaching of George Fairchild, in his first year on this level, the team was awesome from the beginning and made it clear that they were the team to beat. It wasn't until late in the season that they lost their hold on first place in this very tough league.

Many exciting moments were brought about by this team all year. The future for BP looks good with the impressive returning talents of Jim Doyle, Mark Paulus, Dwaine Coulliard, and Craig Brinker.

# Soph tough

The Sophomore Basketball team began the season with a large amount of confidence in themselves and in their team. They worked together as a complete unit and put up a tough battle for all challengers everytime they stepped on the court.

The sophomores showed great dedication by spending long hours working with their coach George Getz on the basic fundamentals of basketball.

As these skills gradually began to improve, their record reflected it as they were winning many of their games. The end result was an exciting season that displayed promise for the future. Outstanding sophomore stars on this year's team were Russell Kiethly, Tom Mehrmann, Nick Sgro, and Bob Swanberg.

# Frosh strong

This year's Freshman Basketball team had its work cut out for it from the very start. Besides being inexperienced, they were faced with the ever-present reputation of being a winless, last-place team.

This didn't stop them, however, as they combined their enthusiasm and determination (along with the outstanding leadership of Coach George Giokaris) to put together one of the toughest teams in the league.

With every game they began to look more and more like a strong, sound team. This was a freshman team filled with impressive talent, and that was a major reason for their overall record which showed many wins for a team on this level. The team was led by Richard Wilson, Curt Rosenkilde, and Glen Jackson.

# Grapplers pin

For the first time in over three years and thirty-two undefeated league matches the Varsity Wrestling team got knocked off the top of the Freeway League. The only thing to come between the BP wrestlers and a potential dynasty was a dramatic one-point loss to Troy in league.

At the end of league matches both teams were tied for first. The official winner was decided in qualifying for finals. Both BP and Troy placed seven men, but because the latter claimed the league victory, BP had to hand over its treasured crown for the first time since 1972.

The Coyote wrestlers began the season in the usual dominating form as they placed first at Montebello, second at El Dorado takedown, fourth at El Dorado Sweet Sixteen, and second at FJC tournaments. But some illnesses and the crucial loss of senior Mike Close with a shoulder separation made things a little harder on the grapplers.

Even though the BP matmen are no longer "King of the Hill", they will soon be back on top with their outstanding program under John Craven.

# JV matmen gain victories

The Junior Varsity Wrestling team ended with a fantastic year that falls right in with the entire BP wrestling program . Although they were wrestling on a level that was not recognized in competition by the Freeway League, the JV matmen faced many tough opponents.

The team was represented by wrestlers of all grade levels, adding to its strength and depth. In order to get a final tune-up for their league challenges, the JV team was involved in some tough tournaments. The tournaments they took part in were the Rancho Novice Tournament, the Lowell Tournament, and their own Buena Park Tournament. Here they earned an impressive second-place finish.

It was much more than luck that gave the JV team five wins in league as opposed to their two loses. Long, hard practices went into the near perfection of this team that is sure to continue the outstanding reputation that has been set by the wrestlers for BP.

The entire JV team showed devotion to their sport and pride in their school everytime they walked on the mats. Some of the JV talents were Mike Hooper, 130; Wade Papke, 148; Mark Boyd, 168; Ed Branscome, 178, and Jim Strife, HWT.

# Frosh-Soph show promise

In order to have a successful wrestling program such as the one BP now unquestionably achieved, you have to start teaching it from the very beginning. This year's Wrestling team was a perfect example of this philosophy in action.

By displaying both physical and mental dedication to their team and their personal goals, these wrestlers proved to be more than the average Frosh-Soph team.

They spent many hours developing their techniques and improving their valuable skills which are necessary to obtain a respectable season.

The Frosh-Soph team, under the coaching of Dave Buchholz, ended the year with a 5-1-1 league record which left them in a tie for second place. This is the first year there has been Frosh-Soph league competition in the Freeway League.

The team took part in four tournaments during the season, and of those the most exciting and memorable one was their own Buena Park Frosh-Soph Tournament in which they placed first out of 16 schools represented. Outstanding contributions to the team came from future stars: Ron Chavez, 115; Peter Skiles, 123; Brian Ota, 141; Ron Thomas, 168; and John Bell, HWT.

# Swimmers go to CIF

This year's Varsity swim team overcame the disadvantage of starting the season with a new coach and went on to chalk up a 3-3 record and take fourth place in league action.

This was Coach Tom Clarke's first year coaching swimming and water polo at BP.

Improving greatly over last year's swim team, the swimmers adjusted well to their new coach and defeated Lowell, Fullerton, and Santa Ana Valley.

Sophomore Steve Lacey went to CIF pre-lims and sophomore Jerry Olszewski competed in the CIF finals. Jerry captured sixth place in the state in the 50-breast stroke and the 100-individual medley.

# Minnows take second

BP's Frosh-Soph swimming team improved greatly this year through their combined and dedicated efforts and fresh ideas.

This year's team, comprised mostly of freshmen, was always willing to put themselves out to get things accomplished.

Outstanding swimmers on the team were Rodney Higera in the freestyle, Dave MacKinney in the backstroke, Bev Takemoto in the butterfly, and Dave Ardolino in the breast stroke.

The Coyote swimmers were led and inspired by Coach Reece Price who has been coaching swimming and water polo at BP for five years.

# Varsity wins

This year's Varsity Track team experienced one of its better seasons, winning their first four meets of the year before falling to Santa Ana Valley and Lowell. The team's success is even more promising for the future. Much of the success has been dependent on underclassmen. The seniors offered encouragement to their fellow athletes through the examples of their outstanding performances.

The coaches this season have stressed the importance of working-hard-during-practices. All workouts were developed for each person's specific events. The coaches left it up to the athletes: if they wanted to win they had to spend time on their workouts.

Outstanding senior standouts were Neil Orr (53 feet) and Fritz Harmon (50 feet) in the shot put; Dave Leal (6 feet) in the high jump and (15.5) in the high hurdles; Mike Few (over 20 feet) in the long jump; Mike Calendar (10.0) in the 100-yard dash and (22.6) in the 220-yard dash; Phil Heybruch (51.0) and Doug Migliorini (52.0) in the 440-yard dash and mile-relay; Paul White (4:30.0) in the mile; and Steve Portwood (10.10) in the two-mile.

# Soph face tough foes

This year BP was fortunate to have many sophomore runners and field-event people who were capable of competing on the Varsity level.

Although this left the sophomore track team somewhat handicapped, there were still fine athletes who had the potential of strengthening the Varsity in the future. With hopes for a bright future, these athletes went through a season with their personal goals highlighting the year.

Outstanding performances were given by Tim Weidenkeller, 100-yard dash, 440 run, and 440 and mile-relays; by Don White, 440 run and 330 low-hurdles; by Dave Corbitt, sprints and long jump; and by Dave Morales, mile and two mile.

# Frosh track promising

Freshman tracksters had their moments during the season. Many fine individual performances were turned in by these exciting newcomers to the BPHS track program.

The team, as a whole, lacked the depth needed to compete as a strong contender for the freshman league title. For the first time in many years a few freshmen were moved up to the sophomore level to help improve their own performances in preparing for the future. Among these were Pat Donley, 440 yard dash and mile-relay; Mike Villaverde, hurdles; Tim Slichtner, high jump; and Richard Wilson in the mile.

# Varsity unites

This year's Varsity Baseball team had a job set out for them from the start. They found themselves in a position with a very poor past record including the one from last year's team, a 3-11 season.

As the team went into the season, they proved to be a very well-rounded and capable squad. They showed the winning qualities often sought in many teams. The squad displayed desire, dedication, much improvement, and especially the ability to work together as a unit.

These points, along with the talents and experience of fine players, helped increase a growing prestige in their game. The outstanding standouts on the team were Bob Brown, Jerry Hilbrands, Keith Larkin, and Brad Locicero.

# Baseball teams give best

The JV Baseball team was a very fortunate one to have many baseball-minded players on this level. They had the talent that it takes to produce many wins and be very tough competition for all league challengers.

Coach Norm Watson used his knowledge to guide the team throughout the season and always encouraged his players to give their best.

There was constant improvement shown by the JV's all year. They were gaining the valuable experience needed for the Varsity next year. Some fine JV players this year were Renee Rameigo, Tom Cane, Bob Swanberg, and Tom O'Neil.

The Frosh-Soph Baseball team showed impressive skills not often seen at this level. The team was a very capable one and combined with the inspiration of Coach Prentis Porter made the future promising.

The squad had a large group of boys who showed enthusiasm towards their sport every time they walked on the diamond whether it be a practice or a game. The talented Frosh-Soph athletes include Royce Mealan, Henry Rios, Larry Coulliard, and Dale Little.

# Tennis falls in league

The Varsity and Junior Varsity teams had a difficult season this year. Under the direction of a new coach, Coach George Getz, the team practiced to improve their skills. Due to the illness of Coach Getz early in the season, the team had to work hard without his guidance. When he returned, he inspired his players to bring out their potential.

The Junior Varsity's inexperience was one of the weaknesses which plagued the team. Even though the season was rough, future team members look ahead to a more promising season.

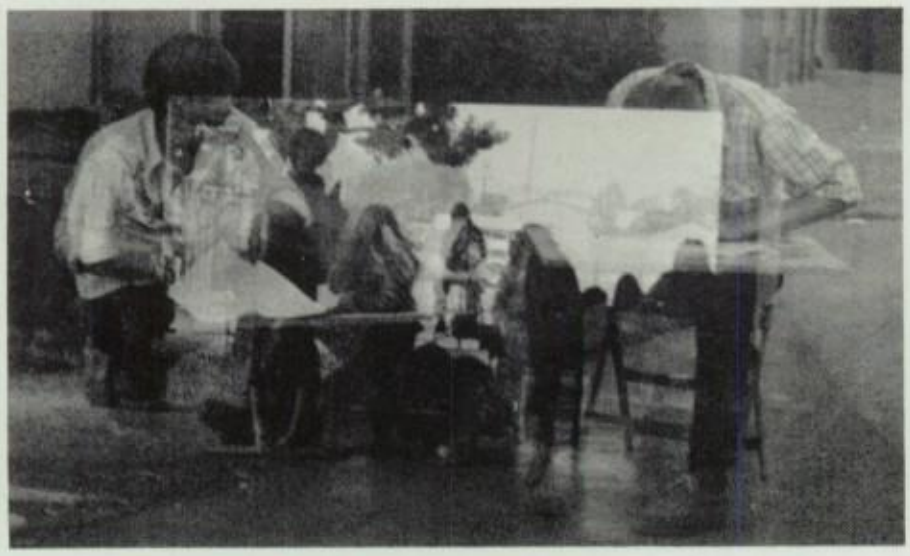
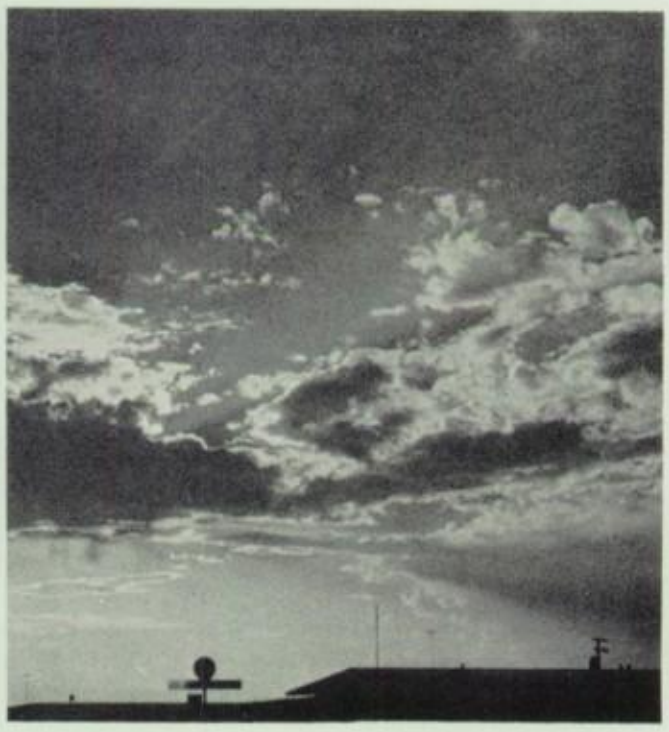
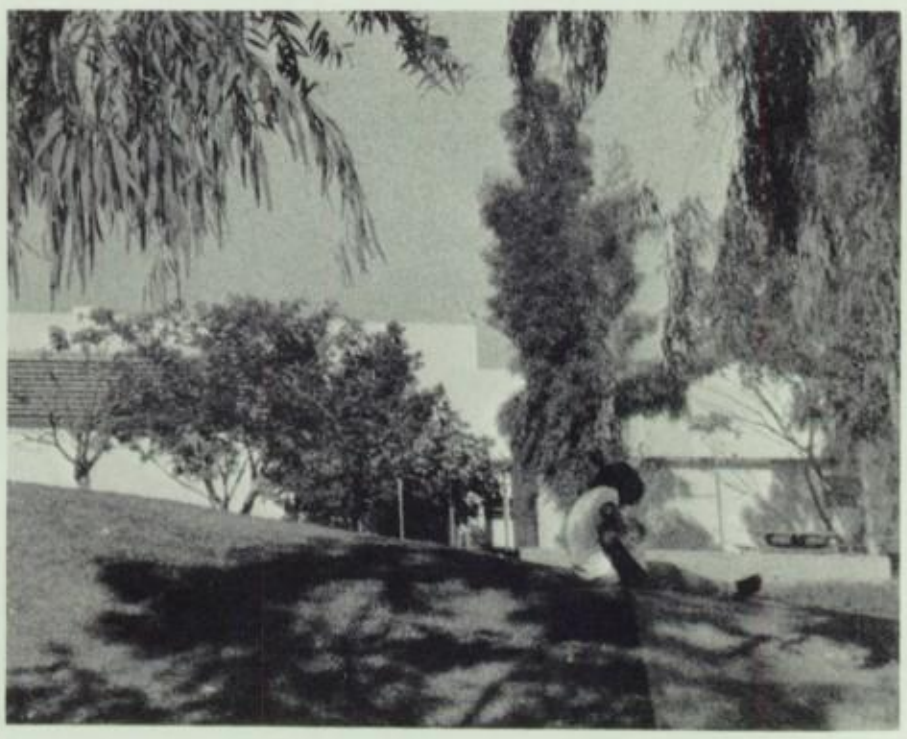
REALITY HAS ARRIVED-Am I ready?

# Summer's here

Summertime—
Day dreams of work and fun;
good memories with friends.
A time to kick back and relax.
Warm days, cool nights.
Golden sunsets enhanced
by drifting clouds.
The peaceful roar of the ocean
accompanied by screeching seagulls
and cool breezes.
Searching for shells in shallow waves,
While wet sand oozes between your toes.
Summertime—
A feeling of freedom; let yourself go.
Motorcycles racing through the desert.
A sense of accomplishment in winning a race.
Close to nature.
Feeling small in a forest of redwoods,
carpeted with moss.
Sweet fragrance of fields of flowers.
The responsibility of a summer job.
A sense of maturity, through new experiences.







# Producers write acts

The buzzing Room 12 was a whirling cyclone of deadlines, deadlines, and more deadlines for the Publications class. Under the guidance of Adviser Leslee Austin (Bond) and Editor Karen Bauer, the staff succeeded in producing the largest book and one with more color pictures and special effects than in previous years.

The editors of the sections were Faculty-Karen Olsen, Teri Geiger; Seniors - Mignon Mitchell, Jerry Berger; Juniors - Cheryl Borris, Mike Noble; Sophomores - Leon Johnson, Diego Lopez; Freshmen - Jerri Varian, Mike Lauzon; ASB Leaders - Joann Haney; Clubs, Organizations - Eileen Borely, Darrell Mallonee; Spirit - Barb Buska; Girls' Sports - Kathy Blanco, Jeanie Stone; Boys' Sports - Ken Castaneda, John Palminteri; Social Events - Stacey Van Horsen, Tricia Swift; Academics - Jerri Valadez, Joy Fujimoto; and Associate Editor - Janet Yee. The excitement, the joy, the enthusiasm the staff experienced in putting out this book expresses another of life's ENDLESS REFLECTIONS.

PERFECT!-Ed. Karen, Adviser Mrs. Leslee Austin (Bond), and Assoc. Ed. Janet find the exact size for a picture.

RUSH, ANOTHER DEADLINE-Busy and determined students fight to complete important pages for their sections.

FOUND IT!-Eileen and Darrell desperately search photo books for the right picture.

PHOTOGRAPHERS-Don Hanich and Joe Sena check meter readings for a shot.

PHOTOGRAPHER-Joe Grutzik puts proof sheets in the right books.

TOGETHERNESS-Class editors exchange ideas for their sections.

NO!-John looks amazed when assigned more pages.

IN A DAZE-JoAnn and Barb daydream about the thought of a finished annual

RE!-Ken, Kathy, Larry, and Jeanie analyze the sports page.

EXCHANGE SMILES -Joy and Jerri laugh at the thought of a funny caption.

T WON'T DO-Teri and Karen change the layout for a picture.

)H CROP!-While Stacey fits a picture to size, Tricia eyes a iore suitable one.

# Advertisers give support

This year 68 advertisers supported Los Coyotes through the ads in this section.

The Los Coyotes staff extends warm thanks to them. Without their kindness and concern, this book could not have been produced with all the color pictures and special effects.

The staff urges members of the school to show appreciation by patronizing these establishments.

By the time we get this annual done
we're in the mood for a little fun.
So we thought we'd mess around
and turn this picture upside down.

P.S. Good luck and much happiness in
the future to all of Coyoteville.

The Staff

'A quick grin matched
with determination
to excel—this was David.'

# In memory of David MacKinney

Our play does not end with the school year, but rather begins again. The PATIENCE, GROWTH, and HOPE we have learned to expect in LIFE will help to determine our FUTURE SUCCESSES. Our campus is only a small world in a big world of . . .

# 'ENDLESS REFLECTIONS'.
